LITTLE OASIS IN SINGAPORE

TEXT KHAMILA MULIA | PHOTOS OASIA HOTEL NOVENA

THE LUXURY OASIA HOTEL NOVENA NOT ONLY PROMISES ELEGANCE AND RELAXATION, BUT ALSO A LIVELY AND ENGAGING EXPERIENCE FOR THOSE WHO WANT TO ADD MORE FLAVOUR TO THEIR SINGAPOREAN GETAWAY. BOASTING A PRIME LOCATION IN THE NOVENA DISTRICT, ONLY A FEW MRT STOPS AWAY FROM THE FAMOUS ORCHARD ROAD AND CENTRAL BUSINESS DISTRICT, YOU WON'T MISS ANYTHING EXCITING IN THE CITY AND YOU CAN STILL ENJOY THE TRANQUIL DOWNTIME YOU'VE BEEN YEARNING FOR.

The name Oasia is derived from the words "Oasis" and "Asia," which perfectly describes the hotel's wellness concept in each of their properties. As you step into the hotel, you can feel the 'zen' spirit radiating immediately from the lobby. The spacious lobby is designed in a modern and rustic way, accentuated with autumnal shades. The wood and stone elements combine nicely with the marble floor and the natural lighting system from floor to ceiling windows, thus creating a beautiful and comfortable place.

A similar design concept is also incorporated into the hotel's 428 rooms which are divided into four types; Superior, Deluxe, Club and Club Suite Room, each equipped with sophisticated facilities. In their downtime, guests can unwind at the spacious swimming pool

and Jacuzzi on the 8th floor while gazing at Singapore's wonderful skyline, and also get a bit of exercise to stay fit during the holiday in its 24-hour fitness centre.

For a more lavish experience, stay at the Club and Club suite rooms to get the best of Oasia Hotel Novena, where guests can have full access to the Living Room, Oasia's Club Lounge on the 22nd floor. In the Living Room, guests can enjoy priority check-in, private international breakfast buffet daily with barista-served coffee, artisanal tea and soft drinks throughout the day. Guests can also pamper themselves in the Living Room's own private pool and enjoy evening cocktails from 6 pm to 8 pm every day.

Oasia Hotel Novena also offers a memorable dining experience through The Marmalade Pantry, the hotel's modern bistro where guests can relish a wide variety of delicious international food, and at Rakuichi Japanese Restaurant if guests are in the mood for authentic Japanese cuisine, as well as Japanese beer and sake.

The hotel is only a minute walk away from Singapore's cutting-edge medical facilities such as the Novena Medical Centre, Novena Specialist Centre, Tan Tock Seng Hospital and the Mount Elizabeth at Novena Hospital, making Oasia Hotel Novena a perfect choice for those who come to Singapore to seek the city's renowned medical treatment as well. With these complete facilities and elegant surroundings, it is only right to call Oasia Hotel Novena, an Oasis in Asia.
