

The image shows the cover of a magazine titled 'GO ASIA PLUS'. The background is a lush green forest with a waterfall cascading over rocks. The magazine title is at the top in large, bold letters. Below the title, it says 'June 2015 Issue 1'. The main headline reads 'the adventurer's guide to PAHANG'. There are two sub-headlines: 'amber chia the jet-set life of a SuperModel' and 'breaking fast with the 6 must-try pasar ramadan snacks'. At the bottom right, there is a small disclaimer: 'Please do not take our photos if you wish to, read the article at www.goasiaplus.com'.

## Every Family Member Gets a Room with Serviced Suites

Bringing your whole brood along for a long holiday? Then a serviced suite is your best bet to keep everyone under one roof with ample comfort for every parent and child. Plus you can never go wrong with the added facilities.

### OASIA SUITES

*Kuala Lumpur, Malaysia*

Tucked right next to the hill where KL Tower is majestically perched, Oasis Suites is KL's newest player in accommodation for business and family in the heart of the city. The location is a big advantage as it is walking distance to KLCC and a 5-minute drive to Pavilion Mall and the bustling nightlife of Changkat Street.

Their rooms are clean and streamlined in perfect minimalism with ample hidden storage for longer-staying travellers. Whether you opt for the one-bedroom suite or the larger two-bedroom suite with the spacious shower room overlooking the KL Tower, expect comfort and a very green view during your stay thanks to the nearby Bukit Nanas Forest Reserve.

More than just spaciousness, the rooms include a kitchenette for light cooking and a washer dryer combo for your laundry. The 24th floor hosts the swimming pool with sun chairs in the water and a fully-equipped gym to burn off those calories after gobbling down all those delicious Malaysian dishes.

### TREETOPS EXECUTIVE RESIDENCES

*7 Orange Grove Road, Singapore*

This gem in Singapore thrives on providing an eco-luxurious experience with green elements like a state-of-the-art indoor air filter and organic bathroom amenities. But the beauty of the place comes in its green surrounding that can be overlooked through the balconies in their 1-bedroom, 2-bedroom or 3-bedroom apartments. As for facilities, the brood can travel easily with the free daily shuttles to the city and get their clothes dry cleaned to minimise laundry when you get back.
